Syllabus Details

Syllabus ID:	12548
Syllabus Name:	**Project management_Quản trị dự án**
Course Name English:	**Project management**
Subject Code:	**PMG201c**
Learning-Teaching Method:	Online,Lecture,Project based learning
NoCredit:	3
Degree Level:	Bachelor
Time Allocation:	Study hour (150h) = 60h online + 3h offline + 1h TE + 2h PE + 84h self-study
Pre-Requisite:	None
Description:	This intensive and hands-on series of courses gives you the skills to ensure your projects are completed on time and on budget while giving the user the product they expect. You will gain a strong working knowledge of the basics of project management and be able to immediately use that knowledge to effectively manage work projects. At the end of the series you will be able to identify and manage the product scope, build a work breakdown structure, create a project plan, create the project budget, define and allocate resources and identify and manage risks, and then you will be able to manage the project development.
StudentTasks:	- Student must get the certification of Introduction to Project Management Principles and Practices specialization from Coursera to be accepted to the final examination"
Tools:
